# Lonergan Studies Diploma Program

## Purpose

The Lonergan Studies Program offers students an opportunity to gain a greater familiarity with the work of Bernard J. F. Lonergan, S.J., and the current developments of his thought. The Diploma in Lonergan Studies can be pursued at either a Basic Degree (Special Student, M.T.S., M.A. in M.S., M.Div., or S.T.M.) or Advanced Degree (M.A., Th.M., S.T.L., or Ph.D./Th.D.) level.

## Requirements for Application for Basic Degree Students:

1. Applicants must be graduates of an accredited college or university, or give evidence that they have completed an educational program equivalent to a B.A. degree.
2. Normally applicants should have at least a B average in their first degree.
3. Official transcripts are necessary from all post-secondary institutions attended. To be official, these transcripts must be sent directly to the College from the institution concerned or requested in a signed, sealed envelope from the institution for inclusion with the other registration material.
4. Two referee evaluation forms (available in the application package) must be submitted, at least one of which must be an academic reference attesting to one's ability to undertake graduate theological education. The other may attest to a student's pastoral competence for study.
5. Applicants must submit a letter of intent with a proposed focus for their studies.
6. A \$25.00 non-refundable application fee should be sent with the application.
7. Requirements regarding English fluency noted in the admission requirements for Conjoint Degree Programs also apply here.

It is possible to take this program in conjunction with one of the conjoint Basic Degree programs. Students already accepted into a Conjoint Basic Degree Program need only complete an application form and submit it, with a letter of intent, to the Director of the Lonergan Studies Program; the application will then be reviewed by the Diploma Committee. This program is also available to students currently enrolled in a Basic Degree program at another T.S.T. college, provided they apply for and are accepted into the program, and register for and take at least one of the courses as a Regis College student.

## Requirements for Admission for Advanced Degree Students:

To apply to the Lonergan Studies Program, students should have already been admitted to an Advanced Degree program of studies through the Toronto School of Theology; the Director of Advanced Degree Studies at Regis can provide the necessary information regarding the application process. Students should then discuss their program of studies with the Program Director as well as the Degree Supervisor/Supervisory Committee to ensure compliance with all degree and program requirements.

Students wishing to pursue the LSP Diploma as a discreet entity will have to seek admission to the Toronto School of Theology as a Special Student, in compliance with all the requirements of the *Advanced Degree Handbook* of T.S.T.

## Program Requirements:

The Diploma Program in Lonergan Studies requires ten half courses, as well as a concluding exercise to demonstrate sufficient familiarity with the work of Bernard Lonergan. Students must discuss the program of studies with the Director of the Program. No course will be accepted for credit toward the Diploma which has not been previously approved by the Director of the Program. Any request for transfer credit would require the approval of the Director of the Program as well as of the Diploma Committee of Regis College.

### *Course Distribution:*

<i>Areas for study</i>	<i>Courses required</i>
<i>Core Courses</i>	Three half courses: RGT 3570/6570 YY <i>Insight</i> (2 credits) RGT 3571/6571 H <i>Method in Theology</i> (1 credit)
<i>Pastoral</i>	One half course which focuses on the Ignatian spiritual tradition
<i>Philosophy</i>	Two half courses which focus either on: -An author of importance to Lonergan: (Aristotle, Augustine, Aquinas, Newman, Gadamer, ...) -A field of importance to Lonergan: (Philosophy of Science, History of Philosophy, Hermeneutics, ...)
<i>Systematics</i>	Three half courses which include a significant focus on the work of Lonergan, to be chosen in dialogue with the Program Director.
<i>Interdisciplinary</i>	One half course which would require the student to enter into dialogue with a different theological or philosophical tradition.

AD students would be required to take *at least* six of the half-courses at the AD level.

### **Concluding Exercise:**

In dialogue with the Program Director, the student will submit a paper written for one of the courses taken toward the conclusion of the program which will demonstrate her/his familiarity with the work of Lonergan. The paper will be reviewed by two faculty members chosen by the Program Director. It will be graded Pass/Fail and will grant no additional course credit; its purpose is to demonstrate the student's successful grasp of the discipline.
