# Liturgy Committee

All members of the Regis College community are encouraged to become members of the Liturgy Committee, and to contribute to the pastoral and spiritual formation of all by being involved in the preparation and celebration of the Wednesday Liturgy, which is the primary weekly liturgy of this faith community.

The Liturgy Committee prepares the Wednesday liturgy and invites various members of the community to be presiders, homilists, cantors, readers and Eucharistic ministers, and to fill any other ministry arising out of a particular liturgy. Attention is paid to prayerful worship and music, the issues of the various images and metaphors of God, inclusive language and concerns for justice and the needs of the world.

The Liturgy Committee is composed of a chairperson, a staff person, the music director, and members of the community who are willing to prepare upcoming liturgies. At weekly meetings, the preparation is done in the context of prayerful reflection on the Scripture readings of the upcoming liturgy. This reflection contributes to the preparation of the environment, the homily, the music for the celebration of the liturgy. The meeting and various responsibilities arising from it comprise at least a two-hour commitment each week.

The Liturgy Committee welcomes all social justice concerns and initiatives from students and faculty so as to connect our worship with our actions on behalf of justice for the world.

If you are interested in joining the Liturgy Committee, or the Regis College Choir, or assisting in our liturgical celebrations as Minister of the Word, Eucharistic Minister, or in baking our community bread, kindly contact the Liturgy Committee at [liturgy@regiscollege.ca](mailto:liturgy@regiscollege.ca)

## SAC Extended Health Coverage

Contact: SAC Health & Dental Plan Office, 12 Hart House Circle, 416-978-4911 ext. 227

Website: <http://www.utsu.ca/>

The SAC (Students' Administrative Council) Health & Dental Plan was designed by students for students. It is compulsory for all full-time students and is intended to cover expenses not covered by your basic provincial health plan - prescription drugs, health practitioners, medical equipment, etc. Studentcare.net is the largest and most experienced provider of student health plans in Canada.

This plan covers an eligible student for the full 12-month period beginning September 1 to August 31. The cost of this plan is IN ADDITION to the UofT incidental fees and the UHIP fees charged to students with study permits. There is no refund if service is not used during the year.

### Opting Out of SAC Health and Dental Plan

Website: [http://www.utsu.ca/index.live.php?section\\_id=2](http://www.utsu.ca/index.live.php?section_id=2)

If you are covered under another health plan and wish to opt out of the SAC plan, you may do so during the first month of classes. However, you must provide evidence of coverage under another plan (i.e., current policy or membership card clearly indicating the name of the insurer and the policy number). Forms for this purpose are available from the SAC office, 12 Hart House Circle.

Dates and times for our prayer gatherings will be posted on our bulletin boards, website and discussion forum.
